

→ top-down desk pan R
(photo strip photos move as videos)

whip/blur pan →
or just faster

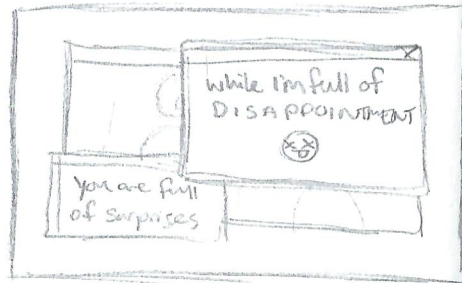

hands come in from top + bottom

← nail polish bottle tips over?

Some fast pan →

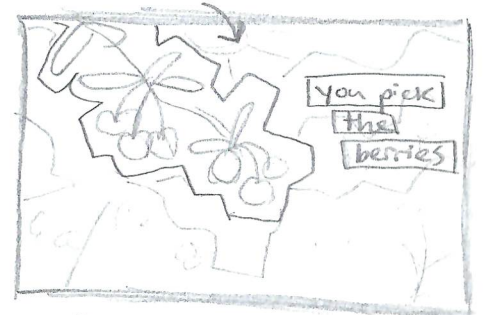

- live action video in b/g
- text window pops up in front

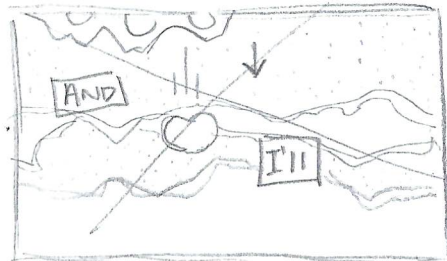

- another text pop-up

↑ layers of paper-cut trees bounce up
- spinning sun rays, maybe birds

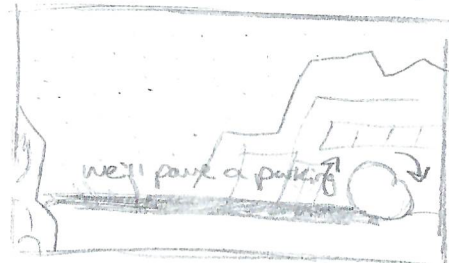

↓ paper-cut berries swing in
- b/g trees blur

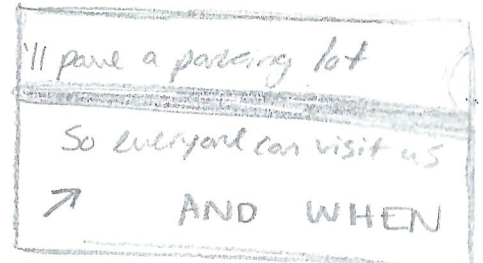

- camera follows berry drop past torn paper edges

- live action cut out video of sitting
- cut out building photo

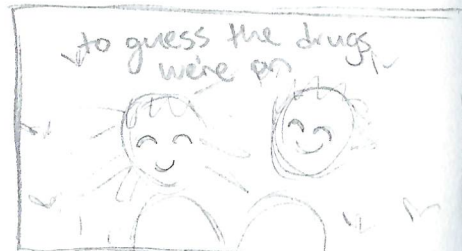

- cherry rolls to pave lot

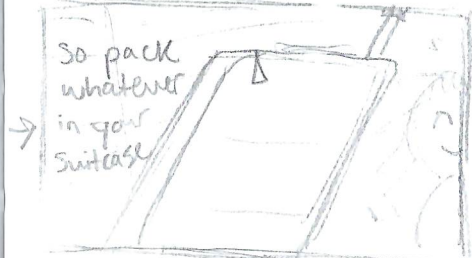

- zoom in on line as cherry rolls

fast/blur pan down to live action running

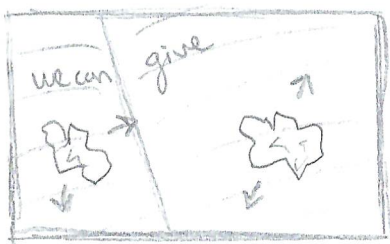

- top-down in grass? laughing

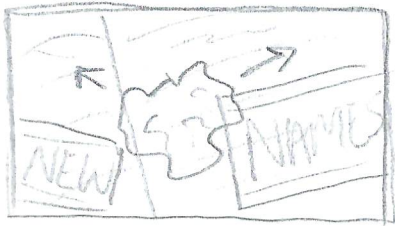

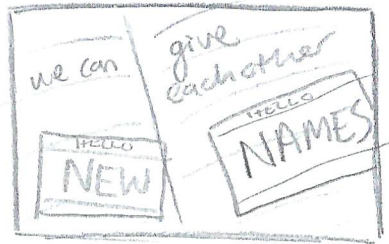

→ suitcase wipes shot

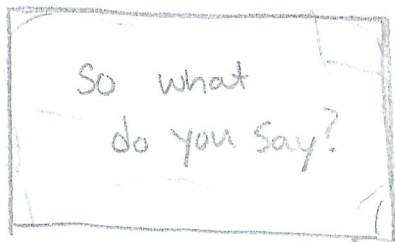

- car cut out drives across page

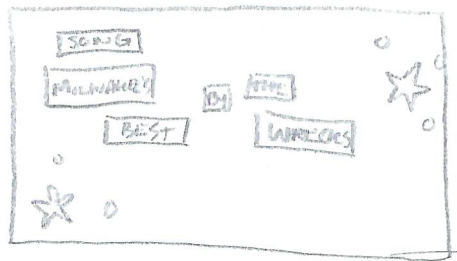

- name tags uncrumple

- uncrumples

"C'mon c'mon let's make it happen"
plays over credits
